

China Tour 2011 : **Pyramids, Activations of the Earth Grid and Other Wonders™**

15th to 27th of November 2011

20 participants maximum

Our next adventure will take us to China where Hari has been willing to go back for a few years because extraordinary pyramids are to be found there. Considerably more ancient than the Egyptian ones, they have participated actively to the grounding of the Earth Grid when our planet started becoming solid during the Lemurian period of its and our history.

Of course, we can not go to China without visiting, as well, some of its well known and less known treasures : Forbidden City, Great Wall, giant Buddha, sumptuous Buddhist Temple, mysterious forest of Pagodas, Grottoes filled with carved Buddhas... amongst others !

You will also see spectacular shows like nowhere else, and you will have culinary experiences that your taste buds will remember forever ! Without forgetting, as always, some time off for discoveries, retail therapy (!), rest.... you choose.

Of course, this Tour is the next step of the planetary service that is asked of us. It requires a lot of travelling, hence, will not be a holiday : bus, 3 internal flights, 2 trains (which, in this country, are an adventure in themselves !) ... but **WHAT REWARDS !**

PRICE

2880 euros.

This price INCLUDES the transfer airport-hotel-airport (*if you arrive on the 15th and fly back on the 27th, otherwise, these transfers will be at your charge*), all the travels in bus, plane (3 flights) and train (2, one by night), 3 and 4 stars hotels breakfast included, on a double occupancy basis, (298 euros for single supplement), most of the lunches and dinners amongst which a diner-show, a dumpling feast, the entrance in all the sites, 1 show, the teachings, meditations, activations, the translation, guides, drivers and their tips.

It DOES NOT INCLUDE : your flights to and from China, your visa, some lunches and dinners, water, the drinks you will take with your meals, your personal expenses, a travel insurance if you wish one....

CONDITIONS

♥ If you wish to be part of this Tour, please send us the booking form, filled, either by email or by snail mail.

♥ Two options are available for you for the payment, knowing that **your participation is not taken into account until we have received your downpayment or your whole payment.**

1/ WHOLE PAYMENT : You can pay the entire amount as early as you want. The deadline for your transfer is the 3rd of October 2011.

2/ DOWNPAYMENT : If you prefer, you can send the downpayment of 950 euros as soon as possible, and the remainder at the latest on the 3rd of October 2011, last limit. The remainder can also be given by special arrangement (for this, get in touch with us). Please know that it takes a week between the moment the transfer is sent and the moment it is received.

♥ The downpayment is non refundable. You can make an arrangement with an other person for them to take your place. It is fine, BUT under no circumstances can this downpayment be refunded because it will have already been sent to our Chinese agent for the booking of hotels, bus, tickets and so on...

IMPORTANT INFORMATIONS

- ♥ This Tour requires a visa (non included)
- ♥ The arrival airport is the International Airport of Pekin (code PEK), and we start and finish the Tour in Pekin (Beijing).
- ♥ The transfers airport-hotel-airport are included at your arrival and for your departure (if you arrive on the 15th and leave on the 27th).
- IMPORTANT ! If you choose to arrive earlier or stay longer, or both, the transfers will be at your charge.**
- ♥ Our hotels will be 3 to 4 stars ones. The accommodation is based on double occupancy, breakfast included.
- ♥ **IMPORTANT ! We can not promise that everybody who wish so will be able to benefit by the double occupancy rate. It all depends on what everyone will have chosen and on the final number of participants. It might be the case that you have to be in a single room and hence pay for the single supplement. We hope not and apologize in advance for the inconvenience. There is unfortunately nothing we can do about this.**
- ♥ The single supplement is 298 euros.
- ♥ 11 nights are part of the deal (15th to 26th of November included). One of the nights will be spent in a night train. If you wish to stay longer, get in touch with Delphine for the accommodation options.
- ♥ The Tour will start on the 16th and finish on the 26th, in the evening. The 15th and 27th of November are for the flights to and from China.
- ♥ Daily travels will be made by bus and sometimes, by plane and train.
- ♥ We will take a plane 3 times and a train twice, once by night.
- ♥ Most of your meals are included.
- ♥ We now have a professional audio equipment so that you can hear us perfectly during the meditations.
- ♥ Several emails will be sent to you before departure, mostly to give you practical information. So please, do not forget to check your emails regularly to make things easier when we need to communicate with you.
- ♥ The maximum number of participants is 20.
- ♥ **The deadline to book your participation is on the 10th of October, meaning that we will have to have received your payment by then, at the latest, but preferably well before, thank you.**
- ♥ **If you know that you want to be part of the Tour, please get in touch without delay with Delphine, and book in without waiting the last minute.** This makes the logistics part of the Tour much smoother. We have had to refuse bookings in the past because of that. Also, do not forget that you will have to obtain a visa and that plane tickets keep getting more expensive as you get closer to the travelling dates.
